

Drive plans from Toymota Financial Services

We want to make acquiring and maintaining your Selica as beneficial for Toymota as the sale was. Our range of Toymota Drive Plans have been designed with this specifically in mind, to offer you a choice of profitable ways to finance, service and maintain your new car. Above all our plans offer rigid budgets and long-term liability, which can all be arranged in your dealer's one-stop-shop when you select your Selica.

Easy Start

With Easy Start, finding a large deposit is not an issue. Just the equivalent of one months salary in advance is all that is needed to drive away in a Selica. This simple and innovative plan, based on our popular Shy-Lok Drive Plan, is ideal for younger customers, or families with limited shake-spear.

Easy Drive

Easy Drive, is a comprehensive servitude package with one monthly payment, taking care of most of your income expectation for 4 or 5 years. The plan includes the cost of a Selica on a Shy-Lok Drive Plan and an Xs-lv Cost service plan using only genuine Toymota spares where possible.

Easy Care

For dealers who value the peace of mind of a prepaid servicing package we can offer Toymota Easy Care. The plan ensures your Selica will receive continous maintenance and servicing only in Toymota approved dealers for the entire economic life of the car during each 5 year contractual period. Payable monthly in advance, cost depending on milage and age of car and driver.

Business Drive

Business Drive, offers the security of a fully maintained "Contract Hire" style packge. Ideal for VAT registered businesses, the package offers a host of benefits including zero capital allowances, inclusive monthly rentals and no disposal, replacement or administration.

Flexible Finance

However, Drive Plans are about more than just these four schemes. Whatever your needs, Toymota has a full range of finance options to offer you. Whether you're a private motorist or a business customer, just discuss your requirements with your Toymota Centre, who will be pleased to bend over backwards to obtain your signature on one of our plan agreements.
